County Residents

Free In Person and Virtual Attendance Available

Parents | Spouses and Partners | Siblings | Grandparents | Adult Children | Friends & Loved Ones

Grieving an overdose loss brings unique challenges stigma, guilt, and unanswered questions that can feel hard to share with others. H.A.L.O. offers a professionally guided, supportive space to reflect, connect, and find comfort at your own pace.

What to Expect:

- Led by a trained professional
- Confidential and welcoming environment
- Support and resources for coping with grief
- Connection with others affected by overdose loss
- You Are NOT Alone
