

N.O.P.E.

Narcotics Overdose Prevention & Education Program

Empowering Prevention. Engaging Youth. Saving Lives.

The **NOPE** program is a prevention-based, evidence-informed initiative that delivers emotionally powerful, age-appropriate presentations to **middle and high school students** across Camden County, with elementary-level programming available upon request.

***24,000+ students reached.
200 presentations.
One powerful message.***

Students hear from individuals with lived experiences and learn about the **consequences of substance use** through engaging, interactive sessions that promote safe decision-making, peer accountability, and emotional wellness.

Available for Camden County:

- Schools (public, private, charter)
- Youth-serving programs & community settings
- Summer programs & afterschool sites

All presentations are tailored to the **age group and setting**.

Schedule a Presentation

To bring the NOPE program to your school or youth organization, please contact Camden County's designated NOPE provider:

The Work Group
(856) 486-7390
