

PROJECT S.A.V.E.

(Substance Abuse Visionary Effort)

MENTAL HEALTH NAVIGATOR PROGRAM

Real Help. Real Outcomes. Right When It's Needed.

Project S.A.V.E. and the **Mental Health Navigator Program** work together to provide **voluntary, no-cost**, immediate connection to substance use and/or mental health care – often on the **same day**.

Services are delivered by **professionals**, who act as **personal case managers** and **court liaisons**. Support begins at referral and can extend after cases conclude.

Who Can Refer

- Law Enforcement, Municipal Court staff, Self referrals, Loved ones, Counselors and more

Who May Benefit

- Individuals experiencing substance use concerns, mental health challenges, behavioral instability, or difficulty navigating services.

Referrals may be based on charges, observed behavior, or concern.

5,100+ confirmed Treatment Admission since 2019!

Common Referral Charges

- Loitering, Theft, Shoplifting, CDS / Paraphernalia,
- DUI / DWI, Public Intoxication, IDRC assistance
- Sex-work related charge, Disorderly Conduct
- Domestic disturbance, Multiple Driving While Suspended
- Repeat offenders / charges, showing signs of behavioral health concerns

Professional Services Include

- Same-day connection to services, updates provided to the municipal courts, ongoing support and more
