Dear Homeowner:

If you haven't tested your private well in the last five years, you may qualify for a free well water test through the Camden County Health Department. Testing will cover:

- Gross Alpha
- Total Coliform/E. Coli
- pH
- Nitrate
- Iron
- Manganese

This will be available to the first 20 eligible private well owners. Please note that this test does not screen for all possible contaminants.

Find more information here – [https://dep.nj.gov/wp-content/uploads/rules/rules/njac7\\_10.pdf](https://dep.nj.gov/wp-content/uploads/rules/rules/njac7_10.pdf)

To register please control+ click on the link below –

<https://sparkcreative.wufoo.com/forms/z1q2urb61bp1h0u/>

If your water test reveals concerns, you'll need to consult a local water treatment professional for remediation or consider installing a treatment system.

If you have any questions, please contact Sheryl Flemming at --
